The First and Second CISCE were successfully held in November 2023 and November 2024 respectively in Beijing, achieving remarkable global recognition. The Third CISCE will take place from July 16 to 20, 2025, at the China International Exhibition Center (Shunyi Venue) in Beijing, featuring six industrial chains including Advanced Manufacturing, Clean Energy, Smart Vehicle, Digital Technology, Healthy Life, and Green Agriculture, along with a dedicated Supply Chain Service Exhibition Area.
